

*"Any tennis club that has Pat Smith either on staff or better yet as head pro, is better for it.*

*He has the unique ability to work with any level of play-male, female, child, 2.5, or 5.0-with equal aplomb.*

*He lives on a tennis court, knows the game inside and out.*

*He would quite frankly rather be doing nothing else.*

*I would not hesitate."*

*Christopher Russo*
